Experience

data.world

Austin, Texas

ENTERPRISE DATA CATALOG

Nov. 2017 - Present

SENIOR PRODUCT ENGINEER

Aug. 2021 - Present

- Own critical product modules, ensuring reliability and scalability.
- Led a major re-theming project to modernize the look and feel of the product, laying the groundwork for future support for multiple themes such as light and dark mode.
- Architected and implemented complex data editing workflows, enabling advanced user interactions and streamlined data management.

PRODUCT ENGINEER

Mar. 2019 - Aug. 2021

- Led the end-to-end development and launch of a new data lineage feature, enabling users to visualize complex data relationships.
- Implemented advanced search and filtering capabilities, significantly enhancing user experience and data discoverability.
- Integrated third-party authentication (OAuth, SSO) to streamline onboarding for enterprise customers.

ASSOCIATE SOFTWARE ENGINEER

Nov. 2017 - Mar. 2019

- Designed and implemented an Excel integration enabling seamless, bi-directional data synchronization between Excel and data.world.
- Developed an Extract, Transform, Load (ETL) application to automate data synchronisation across diverse sources and targets.
- Engineered the company's Tableau Web Data Connector, empowering users to visualize and analyze data.world datasets directly within Tableau.

Metalab

Victoria, British Columbia

DESIGN AGENCY

Feb 2017 - Nov 2017

JUNIOR SOFTWARE ENGINEER

Feb 2017 - Nov 2017

- Implemented a redesign of the company's marketing website, translating design specifications into a modern, engaging, and high-performing user experience.

Andela

Nairobi, Kenya

JOB PLACEMENT NETWORK

Feb 2016 - Jan 2020

FELLOW

Feb 2016 - Jan 2020

- Completed an intensive training course on the JavaScript ecosystem and essential programming tools, building a strong foundation in modern web development.
- Received targeted training in soft skills crucial for success in professional environments, including communication, teamwork, adaptability, and stakeholder management.
- Actively participated in the recruitment and onboarding of new hires, providing mentorship and guidance to accelerate their integration and professional growth within the organization.
